				Previous Score	4 2 4 4	X 1 X X X X

(Please note colours may vary from photo image)

### Features & Benefits

- High quality selected leather provides harder wearing and extended life
- Leather reinforcement provides extra protection from cuts and abrasion
- Gunn pattern means that the glove seams are away from the working area
- Wing thumb for enhanced wearer comfort
- Rubberised cuff provides protection to the wrist area
- Knuckle strap and fingertip tops enhance protection

### Applications

- Tough handling jobs
- Metal components handling
- Material handling
- General maintenance

Note: Any change in stated performance levels in new standards compared to previous scores is **the** result of changed test methods. Glove specification has not changed.
